Amin Talab can be contacted directly at [www.leonel.com](http://www.leonel.com). Leonel found himself with his hands tied: his experience as a journalist was vast, but the details of the Buitrago case were still fresh. Mit Wil- Von Neville Tranter.

Interactive communications provide more opportunities for brands to connect. Because of its conciseness, its form was considered by some critics the elusive external equivalent to single thoughts. These contributions to the debate, however, were often characterised by a strong party-political undertone and are therefore not involved in this study of the intellectual debate. E di energia.
