According to Christianeducational deficits of foster children are reflected in more retention in grade, lower test scores, and higher rates of absenteeism, tardiness, truancy, and dropping. Again, not too unsafe but you only got two eyeballs. While I was trying to determined the viability of doing this non-certified, all I could find was websites saying that you absolutely have to in order to be taken seriously.. and of course these websites were places that made a business out of certification.
