# Quantifiers, Questions and Quantum Physics: Essays on the Philosophy of Jaakko Hintikka

The vanished London society that kicks the film off evolves into a battlefield of survival where humans are still just as vile as the tenacious monsters sprinting in every direction like crazed marathon runners hunting for flesh. The final segment, by Amr Salama, is of course about Mubarak himself, and it lampoons the leader with a piercing wit one might also not anticipate, coming as it does in the heat of the moment.
