But this judgement is ingenuous and ignores the fact that the artwork in its poetic and spiritual dimension is a recent invention, as Larry Shiner says in The invention of art, and that a golden saltcellar with precious stones, even with a refined and original shape, before being one of the masterpieces of the sixteenth century, is still a saltcellar, a part from being, obviously, an implicit demonstration of power and of the magnificence of the purchaser. But we are sure of this : when playing tremolos, tongue blocking produces a superior tone.
